### KIRKBURTON PARISH COUNCIL ANNUAL REPORT OUT NOW!

Kirkburton Parish Council has published its Annual Report. It gives easy to read information about the Council's activities and expenditure over the last year and includes awarding a record £43,687 in grants.

Money was distributed to a wide variety of organisations for projects ranging from purchasing new toys and musical instruments, funding Senior Citizens' Christmas parties to establishing school vegetable gardens and funding energy saving solar panel installations. The report contains a variety of photographs of examples of how the money has been put to good use.

At the front there is a map showing the Parish Council operational area. This is surprisingly large and takes in many villages as well as Kirkburton. It has a population of over 25,000.

Cllr Robert Barraclough, Chairman of the Parish Council, said "I hope that residents will find the Report interesting and informative. It will give them an idea of the rich diversity of things the Parish Council is involved in. It's not all meetings either - for example, our Councillors were out and about last year, planting autumn crocus, and delivering water butts."

Copies of the Annual Report are available for download from the website: [www.kbpc.co.uk](http://www.kbpc.co.uk) and have been sent to libraries, health centres, village halls, post offices and various other public places. They can also be requested from the Clerk at the Parish Council office.
