No declarations of interest were made.

**K2 Public
Participation**

Resolved: That all of the following items would be discussed in private session due to the business being related to future contracts and a tendering process.

K3 Private Session

Resolved: To raise Standing Order No 11 (a) as it was less than six months since the Council had discussed and decided upon the following issue.

**K4 Repair Work at
the Churchyard
(Jobs 1 and 5)**

Members reconsidered the best way of proceeding with Jobs 1 and 5, which originally were to be done in tandem to save time and costs. However, the Clerk reported problems which had arisen with Job 5, which were delaying the contract and could impact on the timing for the work.

Resolved: To retain Mr David Taylor as the Contract Engineer, and to progress the contract within the constraints as soon as possible.

The meeting then closed.
